### **White holds on for tough win against the big boys.**

Fourteen year old Liam White produced an outstanding ride to take the biggest win of his career in the final event of Thursday's BSCC track carnival at Marty Busch Reserve. Riding off a 1 lap handicap A grade riders Matt Smith and Ciaran Conaughton made their intentions known early in the race with a blistering attack that only White could answer. The relentless pressure eventually left the younger rider in no-man's land until recently returned track veteran Greg Nunn bridged across to work with White for the remainder of the race. Smith and Conaughton kept the pressure up to lap all other riders but it was a brave White who crossed the line first for a brilliant win.

In the other grades stand outs were Chloe Hegert, Josh Liston, Emma Bilston, Craig Firman and Jayme Haire. The good form shown across all the races bodes well for this weekend's Country Track Championships in Maryborough.
