About 50 riders took part in the first big night of Ballarat Sebastopol track racing since Christmas. The weather was hot and the competition likewise, from first timer Kate Walker, who took out both F Grade girls' handicap events, to Matt Smith who returned to form with a vengeance, grabbing second place in the A Grade handicap and combining with experienced junior Ciaran Conaughton to take out a prestigious madison win.

The club's riders are in good form across the board as they prepared for the biggest track meets of the year, the Austral Wheelrace and Junior Austral, both to be held at Hisense Arena (old Vodafone Arena) this Saturday, Feb 14. The club invites all those interested in the sport to join us as we give our support to local riders taking on the country's best in the 111th edition of this great event. Tickets are available via Ticketek.
