Race description:

In the last Small Dog Design race of the 2009 season Jaymie Haire came from behind in the last lap to round up the outlying markers. Athalie Lawrie joined in the charge and together they nabbed Kate Lyons, Felicity and Rochelle Liston and who were poised to take the finish. Lyons passed Liston, then Liston passed Lyons to see herself back in the placings for the last round, but neither could hold out the two rear markers as they put in a blistering effort. Haire took the win with a gap to Lawrie.

The A grade girls raced a pairs race with an individual finish. Victoria Snibson took line honors with Madeleine plastow second. Molly Hegert took the sprint from Emma Bilston to take third.

Sam Smith was unable to catch limit rider Connor Carey in the Junior boys event. However he was caught by scratch man Dylan Bilston. Smith showed his tactical form and some of his developing strength to take Bilston on in the sprint and claim second place.

New U17 rider Aaron Blomley started with the Junior A grade boys in a bunched handicap. Nicholas White joined the group and together at limit there were four. They set about working hard and fast and maintained the pace. Harry Martin and Arron Blomley as a pair caught the lead group, and from there they held out the scratch group in the last lap, Joshua Liston, Lewis Piccoli and Angus Lyons who ran out of time to reel in the field. Blomley took the line with Nicholas white second and Harry Martin third in a great bunch sprint.
