Clarke and Koelle take debut wins

Chris Liston writes:

Numbers in BSCC Small Dog criteriums Sub Junior C and D grades swelled as the groups raced controlled scratch races. Lizzy Clarke took to the front of D grade after the two paced laps. Daisy Pickersgill took second ahead of Grace Mader. In C grade Ryan Polkinghorne returned to give Connor Carey a dash for the line. Olivia Oliver kept ahead of Rochelle Liston as the pair squared up the gender balance in the top four.

New rider Maurice Koelle showed he had some form in the composite grade F and took a hard-fought win over Alex Ross and seasoned campaigner Clancy Dickson. In E grade Dominic Geoghegan showed his form was returning as he went off the front with Nicholas White. The pair shared the lead over the last laps but White dug in for a big sprint and kept Geoghegan to his rear. Patrick Cosgrave again stepped into the places taking third.
