Race description:

In the juniors Victoria Snibson, Matt Pearson and Emily Oliver managed to claim Sam Smith as the terrain played mechanical havoc with his bikes drive chain. Joshua Liston was emulating Jason Hegert of the seniors showing his versatility, he was out in front, until he left the track for the bushes. The stack allowed Dylan Bilston to move in and take the win in the short course event. Liston a little grazed in place picked up his steed and finished for second. Victoria Snibson held out Matt Pearson and the two claimed the minor places.

The event was a great fun and the next round in the series will be in the Canadian forest.
