Maxi Koelle took debut line honours in the sub junior D grade two lap scratch race. Koelle had good speed and cadence as he relegated Emily Smith and Daisy Pickersgill with the others in the field to the minor places.

It was an all girl affair in the sub junior C grade race, as last week's winner Kate Lyons struggled to hold on to the minor place of third as Olivia Oliver and Felicity Liston took the top two.

Sam Smith came up with a win in the F Grade ten minute plus 1 lap event. Smith, who had danced all round the placings, finally bagged a win. Smith has been matched to fellow U15 cyclist Emily Oliver. He dispensed with Oliver and Harriett Pickersgill to finish strongly, the two girls finishing in second and third respectively.
